

Well this winter looks to be just like last year...full of snow!

Please remember our public works department does have a big job to do after a large amount of snowfall and they are out there working hard to get to your street as soon as possible. Unfortunately, depending on the amount of snowfall this could take a few days. It is simply impossible to clear all streets immediately.

**ALBERTA BEACH PUBLIC WORKS DEPARTMENT
SNOW REMOVAL PROCEDURE IS AS FOLLOWS:**

- TRUCK ROUTES
- MAIN ARTERIES AND EMERGENCY SERVICES
- RESIDENTIAL ROUTES
- ALLEYS
- PARKING LOTS
- SIDEWALKS

Thank you to all residents for being patient during snow clearing operations.
