

# Tri-Village Regional Sewage Services Commission FORCEMAIN REPLACEMENT

February 26, 2019

The Tri-Village Regional Sewage Commission will be replacing the existing sewage forcemain in Alberta Beach. The Forcemain Replacement is scheduled to start on March 4, 2019 and be completed by the end of July 2019. Lane/road closures will be required and are outlined in the figure below.

Increased construction traffic is anticipated throughout project duration. Detours will be provided and access to residents will be maintained. Sanitary sewer service will also be maintained for the project duration.

All construction timelines are subject to change due to weather conditions and unforeseen circumstances. Should you have any questions pertaining to the above information, please contact the Tri-Village Regional Sewage Commission at 780-446-1426.
