NOTES (10):

- 1 As per Sec. 9.10.15.3, 3.2.3.1, and A-3.2.3.1(8) of the National Building Code (2023 Alberta Edition), if a community's 10-minute fire response time is not within 10 minutes in 90% or more of cases (as is the case in the Village of Alberta Beach) greater side yard setback distances to property line(s) – or modification of side yard building elevations – may be required by the accredited provincial building inspector at the required Building Permit stage.
- 2 This decision is based on an application in the R-1 Residential Land Use District as per Land Use Bylaw No. 252-17. Issued as a permitted use with no variances granted.
- 3 You are encouraged to retain an Alberta Land Surveyor to produce an updated Real Property Report certifying that all buildings and platform structures (decks) meet the yard and setback requirements of the Land Use Bylaw No. 252-17 and the Alberta Building Code.
- 4 The Village of Alberta Beach may not issue a Compliance Certificate in the future unless all buildings on the site comply with all requirements in Bylaw No. 252-17.
- 5 Any development or activity commenced prior to the expiry of the appeal period is done so entirely at the applicants' risk.
- 6 This Permit approval authorization is for development under the Village of Alberta Beach Land Use Bylaw. The applicant is responsible for obtaining any and all licenses and/or approvals that may be required prior to commencing any development from Provincial and/or Federal Departments or Agencies, which may include, but not limited to:
 - Alberta Environment and Parks for any development within 30 metres of a wetland and watercourse;
 - Alberta Energy Regulator related to natural gas lines, pipelines, and power lines located on the lands; and
 - Alberta Utilities and Telecommunications related to telephone lines and utility services located on the lands.
- 7 The applicant is reminded that compliance with this approval requires adherence with all approval conditions attached hereto.
- 8 The landowners are encouraged to consider prohibiting residential fertilizer use on the lands.
- 9 The development permit is valid for twelve (12) months from the Effective Date. If the development or activity has not been substantially commenced upon expiry, this permit shall be deemed expired (null and void) unless the applicant has secured an extension from the approval authority.
- 10 This is NOT A BUILDING PERMIT and where required by any regulation, all necessary Code Permits shall be secured separately.
