APPROVAL OF DEVELOPMENT PERMIT

You are hereby notified that your application for the **DEMOLITION OF A DWELLING, RELOCATION OF A DWELLING, SINGLE DETACHED WITH A REAR YARD SET BACK VARIANCE FROM 7.6 m (25 ft.) to 7.26 m (24 ft.)** has been **CONDITIONAL APPROVED** subject to the following conditions:

1. All municipal taxes have been paid or are current with Alberta Beach.
2. The applicant shall display for no less than fourteen (14) days after the permit is issued, in a conspicuous place on the subject property, the enclosed Notice.
3. **The applicant shall provide a refundable security deposit in the amount of \$5000.00.**
4. The applicant shall enter into a servicing agreement for the provision of municipal sewage disposal service (tie-in) to the satisfaction of Alberta Beach. Please contact the Tri-Village Regional Sewage Services Commission system at 780-974-7341 for further details
5. Access construction (including location) must be provided to the satisfaction of the Road Authority being the Village of Alberta Beach. Please contact the Alberta Beach Public Works Department at 780-924-3322 to confirm the location of any proposed driveway access.
6. There shall be no openings in the building below 723.8 m ASL
7. The applicant shall be financially responsible during the demolition and placement of the dwelling, for any damage by the applicant or contractors to any public or private property.
8. The property is to be secured against public entry during the demolition to protect the public from danger.

9. The applicant shall be responsible for contacting all utility providers that may be impacted by this development for the disconnection, reconnection, and relocation of power lines and other utilities.
10. The applicant shall control the dust or other nuisance that would negatively affect the adjacent properties or the adjacent property owner(s) to the Development Officer's satisfaction.
11. The applicant shall prevent excess soil or debris related to the demolition and construction from being spilled on public streets and lanes and shall not place soil or any other material on adjacent properties without permission in writing from the adjacent property owner(s).
12. The applicant shall obtain and comply with the requirements, where applicable, from the appropriate authority, permits relating to building, electricity, plumbing, and all other permit approvals which may be required in connection with the proposed development.
13. The applicant is responsible for the designing and constructing a house foundation drainage system adequate for the existing soil conditions.
14. The applicant shall complete the property's grading to ensure that all surface runoffs do not discharge from the site onto adjacent properties.
15. Sump pumps are required in all Dwellings which require weeping tile. Weeping tile flows must not be connected to the property's sanitary sewer service. Sump pump discharge must be directed outside and to the ground and not flowing toward adjacent private properties.
16. No person shall keep or permit to be kept in any part of a yard any excavation, storage or piling of materials required during construction unless all safety measures are undertaken. The property owner shall assume full responsibility to ensure the situation does not prevail longer than necessary to complete construction.
17. The site shall be maintained in a clean and tidy condition during the demolition and construction. Receptacle for control and disposal of rubbish must be provided, and regularly maintained.
18. The arrangements for the provision of sanitary facilities for the project site, satisfactory to the Development Authority, must be provided and maintained throughout construction.
19. Any changes or additions to this permit shall require a new development permit application.
20. Failure to comply with the conditions of this permit may result in the permit being cancelled, suspended, or modified.
21. That all improvements shall be completed within twelve (12) months of this permit's effective date.

NOTES:

1. *Any development or activity commenced prior to the expiry of the appeal period is done so entirely at the applicants' risk.*
2. *This Permit approval authorization for development under the Land Use Bylaw but is not approved under any other applicable regulations. Additional approvals **may be** required from Provincial and/or Federal Departments and/or Agencies. The applicant is responsible for making themselves aware of any further requirements and secure approvals where required prior to commencing any development, including but not limited to the following:*

Alberta Environment and Parks for any development activities within 30 metres of a wetland or watercourse;

Alberta Energy Resources Conservation Board related to energy resources: oil, natural gas, and pipelines located on the lands; and

Alberta Utilities and Telecommunications related to telephone lines and utility services located on the lands.

3. *The applicant is responsible for ensuring compliance with the Restrictive Covenant(s) registered on Title.*
4. *The landowners are encouraged to consider prohibiting residential fertilizer use on the lands.*
5. *The development permit is valid for twelve (12) months from the Effective Date. If upon expiry, the development or activity has not been substantially commenced or has not been completed, this permit shall be deemed expired (null and void) unless the applicant has secured an extension from the approval authority.*
6. *This is **NOT A BUILDING PERMIT**, and where required by any regulation, all necessary Safety Code Permits must be secured separately.*

Please contact the Development Officer at 587-988-7668 if you have any questions regarding this approval.
