ALBERTA BEACH BYLAW NO. 296-24 PAGE 1 of 4

A BYLAW OF ALBERTA BEACH, IN THE PROVINCE OF ALBERTA TO ESTABLISH A SCHEDULE OF FEES AND RATES FOR THE MUNICIPALITY.

WHEREAS, the Municipal Government Act, Chapter M26, Revised Statutes of Alberta 2000, authorizes a municipality to have the authority to establish fees and rates for the provision of goods and services; and

WHEREAS, Alberta Beach wishes to establish, in a bylaw, a schedule of fees and rates;

NOW THEREFORE under the authority of the Municipal Government Act, the Council of Alberta Beach, in the Province of Alberta, duly assembled, enacts as follows:

- 1. That this Bylaw may be cited as the "the Fees and Rates Bylaw".
- That Alberta Beach shall charge fees and rates as established in Schedule A, "The Fees and Rates Schedule", attached hereto.
- 3. That this Bylaw shall be reviewed by Council annually.
- 4. That Bylaw #287-22 is hereby rescinded.
- That this Bylaw shall come into force and effect upon the third and final reading and signing of this bylaw.

Subject:

Catalis Mass Notification - Partnership Opportunity

Hello Jennifer and Kathy,

The Town of Mayerthorpe is looking into a mass notification system offer by Catalis, for more information click here: : https://catalisgov.com/solutions/citizen-engagement/mass-notification/

This is the same system that BARCC utilizes, for more information click here: https://barcc.ca/

The quote that the Town of Mayerthorpe has received is \$4,995.00 per year. Based on \$4,995 the Town of Mayerthorpe would pay \$2,397.60 being 48%, the Town of Onoway would contribute \$1,498.50 being 30% and Alberta Beach would contribute \$1,098.90 being 22%. I have requested further clarification on the quote to determine if the quote remains the same if all three municipalities participate.

The Catalis system would be branded in each municipality's name and messages can be directly input by staff.

RE: Catalis Mass Notification - Partnership Opportunity

Good morning ladies,

Catalis has reported that the cost will not go up as a result of having additional partners. Mayerthorpe Council approved proceeding with this module at their budget meeting last night.

When you are able to, please confirm your participation.

If you have additional question, please let me know.

Karen St. Martin, Acting CAO Town of Mayerthorpe Box 420

FW: Documents for your DocuSign Signature

Hi Kathy,

This is the response I received.

So if I understand what he is saying, if AB Beach and Mayerthorpe partner the cost being 50/50 would be \$2,497.50 each versus AB Beach going on its own based on \$3,500/1st Yr and then \$3,000 each year thereafter.

Let me know your thoughts.

Subject: RE: Documents for your DocuSign Signature

Hi Karen,

The Lac Ste. Anne Summer Villages are already in a contract until 2027. Kathy was asking me what the cost of Mass Notification was, I told her you had a contract already at \$4,995 annually and that if they were to go with Mass Notification on their own it would have been \$500 one-time cost and \$3,000 annually. That cost is based on population size of less than 1,000.

So it is a better deal with you. The contract is already signed so I can't really put it on hold.

I hope this information helps,

Mass Notification

Connecting Your Community One Message at a Time

At Catalis, we understand the importance of efficient communication with residents. This is why we offer robust mass notification solutions designed to streamline the dissemination of messages to all a municipality's residents. Our platform incorporates 20 years of municipal experience and allows easy management and distribution of messages via e-mail, text messages, social media, and voice phone lines.

With our integrated system, municipal administrators can automate alert messages from Alert Ready, NOAH, and IPAWS, ensuring immediate broadcasts on residents' devices without any local effort. Our mass notification solutions provide a reliable means of delivering information across multiple channels. Partner with our Mass Notification solution and enhance your municipality's communication capabilities.

Our Most Popular Program Features

LIVE EMERGENCY ALERTING

A direct feed into Canada's emergency alerting system (Alert Ready) to disseminate emergency messages from all levels of government, Environment Canada, and RCMP.

MASS E-MAIL MESSAGING

Send unlimited e-mail messages to your residents along with the ability to refine your messages to only be sent to users requesting information based on specified topics.

SMS TEXT MESSAGING

Send SMS text messages using the Connect portal to residents who prefer to be informed of local information on their mobile phone.

SMARTPHONE PUSH MESSAGING

Send messages to your residents via smartphone app push messaging. Send immediate messages or schedule push messages for a future date.

AUDIO PHONE MESSAGES

Upload recorded messages or type messages to be converted to sound to send by phone. Emergency alerts can also be sent to residents' home phones with one click.

WEBSITE INTEGRATION

Integrate your public submission form into any website or app with no additional charge in both official languages.

ACCOUNT MANAGEMENT

Manage all your resident accounts as well as create communication groups for people to select and receive information.

MOBILE MANAGEMENT

Manage and disseminate messages using the Connect portal from any device. The portal is completely responsive to any mobile device.

STAY ALERT

Emergency alert integrations with Catalis' Mass Notification system are powered by:

- · Federal government authorities
- · Environment and Climate Change Canada
- The Royal Canadian Mounted Police (RCMP)
- Municipal police agencies
- Provincial government officials
- · Municipal officials as coordinated by each provincial government

Wireless Emergency Alerts

The Integrated Public Alert & Warning System (IPAWS) is FEMA's national system for local alerting that provides authenticated emergency and life-saving information to the public. These alerts are provided through mobile phones using Wireless Emergency Alerts, to radio and television via the Emergency Alert System, and on the National Oceanic and Atmospheric Administration (NOAA) Weather Radio and Weatheradio Canada.

A Universal Mass Notification Solution Tailored to Fit All Sectors!

EXPRESS MESSAGE TM Exclusive Features.

- Notify instantly anyone, anywhere, anytime from wherever you are. May it be an urgent message or
 just a simple notification.
- No limit on number of messages you can send.
- No changes in your IT or phone system infrastructure. No software to download.
- Send your messages even when your internet is down and/or you have no online access.
- Pay monthly. No long-term commitment required. No cancellation fees.
- Free 24/7/365 live support.
- All updates are at no extra fee.
- Perfectly Adapted for the Management of Communications during Emergencies and/or Simple Notifications

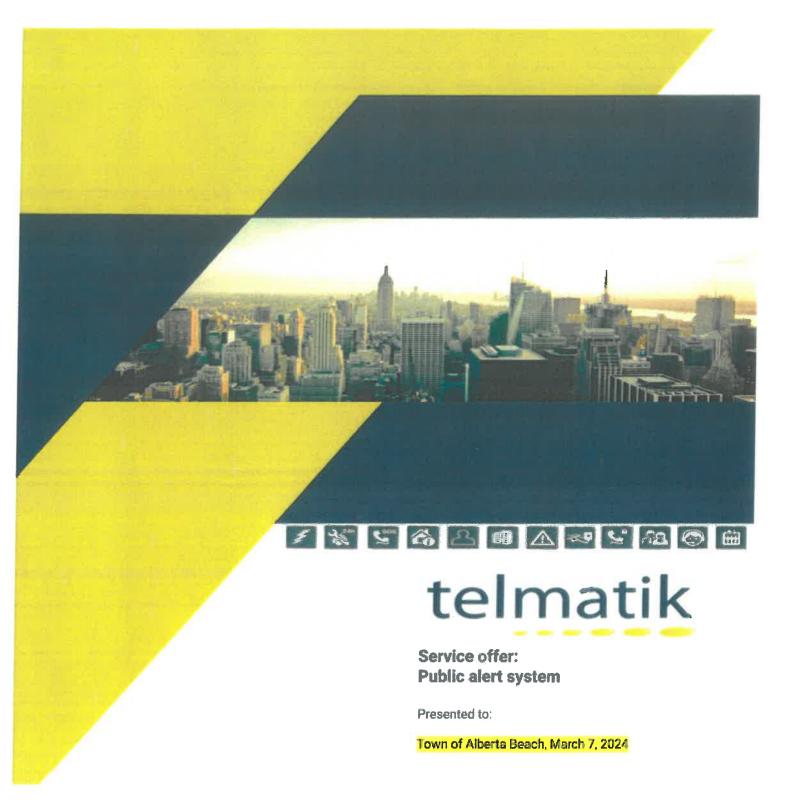

A Robust and Efficient Communication Platform

- Text Messages (SMS) are sent at the rate of 10,000 per hour
- Emails are sent instantly, regardless of the volume.
- Automated Calling (including TTS and Voice Mail) is processed at the maximum rate of 5,000 per hour.
- Predetermined distribution groups can be established
- The contacts in your database can opt to receive messages using multiple channels. (SMS/Email/Automated Voice Call)
- Message Delivery Confirmation through a Live Progress Dashboard.
- Easy management of contact lists, including bulk imports.
- A self serve portal where citizens can manage their own profiles.

We can show you in less than 15 Minutes over the phone, while sharing our screen, how Express Message ™ can and will Simplify your Communications needs going forward.

Please Let us know of a convenient date and time that works best and we will schedule a quick presentation.

MANDATE OVERVIEW

The Town of Alberta Beach is considering implementing a public alert and notification service in order to provide its citizens with high-quality, effective communication.

The service must meet the municipality's various communication needs.

• Public alerts: in accordance with its emergency plan, the municipality must acquire a system to quickly contact its residents. Urgent situations may include flood alerts, train derailments,

drinking water supply interruptions, boil water advisories, water supply failures, school closures or any other situation that requires the municipality to notify residents as quickly as possible.

- Public notifications: to better disseminate information to its residents, the municipality also wishes to acquire a system to send various messages to its residents. These messages may fall under various categories:
- o Municipal administration: public notices, tax payment reminders, by-law enforcement reminders, miscellaneous information depending on the season, weather, etc;
- o Community activities: messages from community organisations offering services within the municipality;
- o Leisure association: information about activities, registration reminders, notifications when a match is postponed due to bad weather, calls for volunteers, etc.

SERVICE PROVIDED BY TELMATIK

Telmatik offers municipalities a public alert and notification system to help them quickly and effectively notify residents and businesses within their territory in the event of an emergency. With its intuitive design, ease of use and proven effectiveness, this system ensures a rapid response to any urgent event.

As a result, organisations can effectively communicate relevant information to citizens and businesses in the area, including initial information and developments in the situation, by automated telephone call, email or SMS.

There are many advantages to choosing Telmatik:

- → Use of an independent telephone and IT infrastructure that does not encumber the municipality's existing infrastructure.
- → Redundant system that ensures high telephone and IT availability.
- → Option of sending an alert remotely (all you need is Internet access).
- → Customer service offered by Telmatik's call centre 24 hours a day, 365 days a year available for support or to send out an alert.
- → Interface to view the alert delivery in real time.

- → Alert transmission report available online.
- → Option of sending an alert from your cellphone.
- → Option of forwarding documents by inserting a link in the email.

Multiple transmission channels

The public alert and notification service provides access to a web-based platform for sending messages that can deliver information simultaneously, using the following methods:

- → SMS (text messaging)
- → Email
- → Automated call including:
 - Text-to-speech (TTS) reading
 - Option of leaving a message on voicemail
- → Possibility of sending an alert from your cellphone

Managing contacts

The public alert and notification service also offers the following tools:

- → Option of sending an alert or notification to all contacts or to pre-defined groups.
- → Mapping with security perimeter selection (allows you to select only the contacts affected by the current incident).
- → Option of sending alerts on more than one channel simultaneously to the same citizen.
- → Complete contact log management including a massive contact import system.

RATES

Rates include simultaneous delivery on all channels (e-mail, automated call, SMS) with unlimited use, at no extra charge, regardless of the channels used.

| DESCRIPTION | COST |
|---|-----------------------|
| Implementation fee One-time fees | 500.00\$ |
| Annual fee: Monthly fee: | 1500.00\$ 125.00\$ |

Includes

Canada411 telephone base Employee training Annual database update 24/7 emergency service

DEADLINE

The service requires 48 working hours to be implemented following acceptance of the service offer.

MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

Management of Alberta Beach (the "Organization") is responsible for the preparation, accuracy, objectivity and integrity of the accompanying financial statements and all other information contained within this Financial Report. Management believes that the financial statements present fairly the Organization's financial position as at December 31, 2023 and the results of its operations for the year then ended.

The financial statements have been prepared in compliance with legislation, and in accordance with Canadian public sector accounting standards (PSAS).

The financial statements include certain amounts based on estimates and judgments. Such amounts have been determined on a reasonable basis in order to ensure that the financial statements are presented fairly in all material respects.

In fulfilling its responsibilities and recognizing the limits inherent in all systems, management has designed and maintains a system of internal controls to produce reliable information and to meet reporting requirements on a timely basis. The system is designed to provide management with reasonable assurance that transactions are properly authorized and assets are properly accounted for and safeguarded.

These systems are monitored and evaluated by management and reliable financial information is available for preparation of the financial statements.

The Organization Council carries out its responsibilities for review of the financial statements principally through its meeting with management. This Council meets regularly with management and the external auditors to discuss the results of audit examinations and financial reporting matters.

The external auditors have full access to the Council with and without the presence of management. The Organization Council has approved the financial statements.

The financial statements have been audited by Doyle & Company, Chartered Professional Accountants, independent external auditors appointed by the Organization. The accompanying independent Auditor's Report outlines their responsibilities, the scope of their examination and their opinion on the Organization's financial statements.

INDEPENDENT AUDITOR'S REPORT

To the Members of Council

Opinion

We have audited the financial statements of Alberta Beach (the "Organization"), which comprise the statement of financial position as at December 31, 2023, and the results of its operations, changes in its net financial assets and cash flows for the years then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as at December 31, 2023, the results of its operations, change in its net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

• Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than from one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

INDEPENDENT AUDITOR'S REPORT - continued

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
 appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of
 the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit finding, including any ignificant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

Debt Limit Regulation

In accordance with Alberta Regulation 255/2000, we confirm that the municipality in in compliance with the Debt Limit Regulation, A detailed account of the Organization's debt limit can be found in note 6.

Supplementary Accounting Principles and Standards Regulation

In accordance with Alberta Regulation 313/2000, we confirm that the municipality is in compliance with the Supplementary Accounting Principles and Standards Regulation and note the information required can be found in note 11.

Notes to the Financial Statements

December 31, 2023

DESCRIPTION OF OPERATIONS

Alberta Beach is a local government authority providing municipal services. Alberta Beach is empowered through bylaws and policies approved by Council and pursuant to the Municipal Government Act.

1. SIGNIFICANT ACCOUNTING POLICIES

The financial statements of Alberta Beach are the representations of management prepared in accordance with generally accepted accounting principles for local governments established by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada. Significant aspects of the accounting policies adopted by Alberta Beach are as follows:

(a) Reporting Entity

The financial statements reflect the assets, liabilities, revenues and expenditures, changes in fund balances and changes in financial position of the reporting entity.

The schedule of taxes levied also includes requisitions for education, health, social and other external organizations that are not part of the municipal reporting entity.

Interdepartmental and organizational transactions and balances are eliminated.

(b) Basis of Accounting

The financial statements are prepared using the accrual basis of accounting. The accrual basis of accounting records revenue as it is earned and measurable. Expenses are recognized as they are incurred and measurable based upon receipt of goods or services and/or legal obligation to pay.

Funds from external parties and earnings thereon restricted by agreement or legislation are accounted for as deferred revenue until used for the purpose specified.

Government transfers, contributions and other amounts are received from third parties pursuant to legislation, regulation or agreement and may only be used for certain programs, in the completion of specific work, or for the purchase of tangible capital assets. In addition, certain user charges and fees are collected for which the related services have yet to be performed or goods have yet to be provided. Revenue is recognized in the period when the related expenses are incurred, services performed/goods provided or the tangible capital assets are acquired.

(c) Use of Estimates

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenditures during the period. Where measurement uncertainty exists, the financial statements have been prepared within reasonable limits of materiality. Actual results could differ from those estimates.

Valuation of Financial Assets and Liabilities

The financial assets and liabilities are measured as follows:

Financial statement component Measurement Measurement

Cash and temporary investments Cost and amortized cost

Trade and other receivables Lower of cost or net recoverable value

Accounts payable and accrued liabilities Cost

Deposit liabilities Cost

Notes to the Financial Statements

December 31, 2023

1. SIGNIFICANT ACCOUNTING POLICIES - continued

(e) Cash and Temporary Investments

Cash and temporary investments consists of bank deposits and savings accounts with a term of three (3) months or less.

(f) Investments

Investments in derivatives and equity instruments quoted in an active market are carried at fair value with transactions costs expensed upon initial recognition. Unrealized changes in fair value are recognized in the statement of remeasurement gains and losses. When the investment is disposed of the accumulated gains or losses are reclassified to the statement of operations.

Investments in interest bearing securities are recorded at amortized cost. Investment premiums and discounts are amortized on the net present value basis over the term of the respective investments.

When there has been a loss in value that is other than a temporary decline, the respective investment is written down to recognize the loss.

(g) Requisition Over-levy and Under-levy

Over-levies and under-levies arise from the difference between the actual property tax levy made to cover each requisition and the actual amount requisitioned.

If the actual levy exceeds the requisition, the over-levy is accrued as a liability and property tax revenue is reduced. Where the actual levy is less than the requisition amount, the under-levy is accrued as a receivable and as property tax revenue.

Requisition tax rates in the subsequent year are adjusted for any over-levies or under-levies of the prior year.

(h) Supplies for Resale Inventory

Supplies held for resale is recorded at the lower of cost or net realizable value. The inventory is accounted for by using the first-in-first-out (FIFO) method.

(i) Tax Revenue

Tax revenues are recognized when the tax has been authorized by bylaw and the taxable event has occurred. Requisitions operate as a flow through and are excluded from municipal revenue.

(i) Revenue Recognition

Revenue from transactions with no performance obligation is recognized at realizable value when Alberta Beach has the authority to claim or retain an inflow of economic resource and identifies a past transaction or event giving rise to an asset.

Revenue from transactions with performance obligations is recognized as the performance obligations are satisfied by providing the promised goods or services to the payer. User fees are recognized over the period of use, sales of goods are recognized when goods are delivered. Licenses and permits with a single performance obligation at a point in time are recognized as revenue on issuance, those which result in a continued performance obligation over time are recognized over the period of the license or permit as the performance obligation is satisfied.

Notes to the Financial Statements

December 31, 2023

1. SIGNIFICANT ACCOUNTING POLICIES - continued

(k) Government Transfers

Government transfers are the transfer of assets from senior levels of government that are not the result of an exchange transaction, are not expected to be repaid in the future, or the result of a direct financial return.

Government transfers are recognized in the financial statements as revenue in the period in which events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be determined.

(l) Non-Financial Assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the normal course of operations. The change in non-financial assets during the year, together with the excess of revenues over expenses, provides the Change in Net Financial Assets (Debt) for the year.

(j) Non-Financial Assets

i) Tangible Capital Assets

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets is amortized on a straight-line basis over the estimated useful life as follows:

| | | Years |
|-------------------------|---|-------|
| Buildings | 1 | 25-50 |
| Engineered structures | * | 10-75 |
| Land Improvements | | 10-25 |
| Machinery and equipment | | 5-20 |
| Vehicles | | 10 |

One-half the annual amortization is charged in the year of acquisition and in the year of disposal. Assets under construction are not amortized until the asset is available for productive use.

ii) Contributions of Tangible Capital Assets

Tangible capital assets received as contributions are recorded at fair value at the date of receipt and also are recorded as revenue.

iii) Leases

Leases are classified as capital or operating leases. Leases which transfer substantially all of the benefits and risks incidental to ownership of property are accounted for as capital leases. All other leases are accounted for as operation leases and the related lease payments are charged to expenses as incurred.

Notes to the Financial Statements

December 31, 2023

2. MEASUREMENT UNCERTAINTY

The preparation of financial statements in conformity with Canadian Accounting Standards for Public Sector Accounting Board requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the year.

Accounts receivable are stated after evaluation as to their collectability and an appropriate allowance for doubtful accounts is provided where considered necessary. Amortization is based on the estimated useful lives of the tangible capital assets.

These estimates and assumptions are reviewed periodically and, as adjustments become necessary, they are reported in the revenue or expenses in the period in which they become known. Actual results could differ from those estimates.

3. CASH AND TEMPORARY INVESTMENTS

| | R | 2023 \$ | 2022 \$ |
|---|---|--------------------|--------------------|
| Cash and temporary investments Restricted cash | | 884,250 945,674 | 586,822 947,007 |
| | | 1,829,924 | 1,533,829 |

Included in cash and temporary investments is a restricted amount of \$30,947 received from the Municipal Sustainability Initiative - Capital.

Council has designated funds of \$945,674 (2022 - \$947,007) for operating and capital reserves. See (Note 9) for details.

Notes to the Financial Statements

Municipal Sustainability Initiative (MSI)

Funding in the amount of \$198,598 was received in the current year from the Municipal Sustainability Initiative. Of the \$198,598 received, \$155,178 was from the capital component of the program and is restricted to eligible capital projects, as approved under the funding agreement. The remaining \$42,420 is from the operating component of the program and is restricted to eligible operating projects, as approved under the funding agreement.

60,591

178,612

Unexpected funds related to the advance are supported by cash and temporary investments held exclusively for these projects. (refer to Note 3)

Notes to the Financial Statements

December 31, 2023

6. DEBT LIMIT

Section 276(2) of the Municipal Government Act requires that debt and debt limits as defined by Alberta Regulation 255/2000 for the Alberta Beach are to be disclosed as follow:

| | 2023 \$ | 2022 \$ |
|-------------------------------------|-------------------|-------------------|
| Total Debt Limit Total Debt | 4,547,609 | 4,076,391 - |
| Amount of debt limit unused | 4,547,609 | 4,076,391 |
| Debt Service Limit Debt Service | 757,935 - | 679,399 - |
| Amount of debt service limit unused | 757,935 | 679,399 |

The debt limit is calculated at 1.5 times revenue of the municipality excluding transfers from the governments of Alberta and Canada for the purposes of capital (as defined in Alberta Regulation 255/2000) and the debt service limit is calculated at 0.25 times such revenue. Incurring debt beyond these limitations requires approval by the Minister of Municipal Affairs. These thresholds are guidelines used by Alberta Municipal Affairs to identify municipalities that could be at financial risk if further debt is acquired. The calculation taken alone does not represent the financial stability of the municipality. Rather, the financial statements must be interpreted as a whole.

Total debt includes long-term debt less debt charges recoverable. Debt servicing includes principle and interest payments due on long-term debt in the 12 months subsequent to year-end less amounts that are recoverable.

7. TANGIBLE CAPITAL ASSETS

| | 2023 \$ | 2022 \$ |
|-------------------------|------------|-------------------|
| Net Book Value | | |
| Land | 1,349,990 | 1,349,990 |
| Land improvements | 139,606 | 152,624 |
| Buildings | 2,007,486 | 2,064,195 |
| Engineering structures | 3,334,786 | 3,212,252 |
| Machinery and equipment | 221,867 | 220,130 |
| Vehicles | 28,296 | 34,591 |
| | 7,082,031 | 7,033,782 |

8. EQUITY IN TANGIBLE CAPITAL ASSETS

| | 2023 \$ | 2022 \$ |
|---------------------------------------|-------------|-------------|

| Parks and recreation | 34,495 | 34,495 |
| Police | 50,164 | 50,164 |
| Public works | 65,960 | 65,960 |
| Waste management | 10,205 | 10,205 |
| Agri-plex | 25,000 | 25,000 |
| | 1,343,513 | 1,343,513 |
| Equity in Tangible Capital Assets (TCA) | 7,082,031 | 7,033,782 |
| Y | 9,338,513 | 8,916,537 |

10. SEGMENTED DISCLOSURE

Alberta Beach provides a range of services to its ratepayers. For each reported segment, revenues and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. The accounting policies used in these segments are consistent with those followed in the preparation of the financial statements as disclosed in Note 1.

Refer to the Schedule of Segmented Disclosure (Schedule 6).

General government includes administration, assessment services, and legislative. Protective services includes ambulance, bylaw enforcement, and fire department. Transportation services includes public works and roads, streets, walks and lighting. Planning and development includes planning and development. Recreation and culture includes Alberta Beach boat launch and wharf, campground, and recreation and facilities. Environmental services includes water supply and distribution, wastewater treatment and disposal, and waste management.

Notes to the Financial Statements

December 31, 2023

11. SALARY AND BENEFITS DISCLOSURE

Disclosure of salaries and benefits for municipal officials, the chief administrative officer and designated officers as required by Alberta Regulation 313/2000 is as follows:

| | Months | 2023 | | | 2022 | |
|-------------------------|--------|------------|-------------------------|----------------|-------------|--|
| - | | Salary (1) | Benefits & Allowances (| 2) Total \$ | Total \$ | |
| Mayor | | | | | | |
| K. Muir | 12 | 9,594 | 2,925 | 12,519 | - | |
| A. Duncan | 6 | 5,277 | 2,000 | 7,277 | 14,846 | |
| Deputy Mayor | 1 | | | | | |
| B. Love | .4 | 3,171 | 650 | 3,821 | - | |
| T. Elwood | | | | - | 13,344 | |
| Councilors | | | 3 | | | |
| D. Weber | 12 | 9,274 | 4,225 | 13,499 | 12,443 | |
| D. Durocher | 12 | 9,381 | 4,075 | 13,456 | 12,173 | |
| T. Elwood | 12 | 9,861 | 6,050 | 15,911 | - | |
| K. Muir | - | - 4 | -) | | 7,663 | |
| B. Love | - | - | 11 1 | - | 846 | |
| Chief Administrative Of | ficer | | | A | | |
| K. Skwarchuk | 12 | 123,125 | 10,213 | 133,338 | 126,781 | |

- (1) Salary includes regular base pay, bonuses, overtime, lump sum payments, gross honoraria and any other direct cash remuneration.
- (2) Employer's share of all employee benefits and contributions or payments made on behalf of employees including pension, health care, dental coverage, vision coverage, group life insurance, accidental death and dismemberment insurance, long and short term disability plans, professional memberships and tuition.

Notes to the Financial Statements

December 31, 2023

12. COMMITMENTS

Alberta Beach is also responsible for 63.43% of the annual operating costs of Tri Village Regional Sewer Services Commission. The operating costs this year were \$246,604 (2022 - \$248,628).

Alberta Beach is part of the West Inter Lake District (WILD) Regional Water Services Commission and is committed to debenture principal and interest payments in the amount of \$12,381.97 each June and December until the debenture matures in 2039. This debenture was issued as part of the funding of phase 1 of the pipeline construction project from the Town of Stony Plain to the Village of Wabamun. The debenture payment this year was \$72,683 (2022 - \$40,869), the payments include principal and interest.

Alberta Beach is also responsible for 16.4% of the annual operating costs of West Inter Lake District (WILD) Regional Water Services Commission. The operating costs this year were \$13,087 (2022 - \$13,668).

13. RELATED PARTY TRANSACTIONS

Alberta Beach is a member of the Tri Village Regional Sewer Services Commission and made payments to the Commission as follows:

| | 2023 | 2022 \$ |
|--------------|--------------------|------------|
| Service fees | 246,604 | 248,628 |
| Debentures | 246,604 330,626 | 330,926 |
| | 577,230 | 579,554 |

These transactions are in the normal course of operations and have been valued in these financial statements at the exchange amount which is the amount of consideration established and agreed to by the related parties.

Notes to the Financial Statements

December 31, 2023

14. FINANCIAL INSTRUMENTS

Credit Risk

Alberta Beach is subject to credit risk with respect to taxes and grants in place of taxes receivables and trade and other receivables. Credit risk arises from the possibility that taxpayer and entities to which Alberta Beach provides services may experience financial difficulty and be unable to fulfil their obligations. The large number and diversity of taxpayers and customers minimizes the credit risk.

Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in interest rate. Alberta Beach is exposed to interest rate risk on its bank account balances and any of its fixed and/or floating interest rate financial instruments.

Liquidity Risk

Liquidity risk is the risk that Alberta Beach will encounter difficulty in meeting its obligations associated with financial liabilities. Alberta Beach manages its liquidity risk by monitoring its operating requirements and cash forecasts to ensure it has sufficient funds to fulfil its financial obligations.

15. BUDGET FIGURES

Budget figures for 2023, as approved by Council, are included in the financial statements for information purposes and are unaudited.

16. COMPARATIVE FIGURES

Certain comparative figures have been restated to conform with the current year's presentation.

17. APPROVAL OF FINANCIAL STATEMENTS

Council and Management have approved these financial statements.
