# ALBERTA BEACH COUNCIL ROUND TABLE MEETING

# BEING HELD IN THE ALBERTA BEACH COUNCIL CHAMBERS AND BEING HELD ELECTRONICALLY VIA ZOOM MEETING TUESDAY, MAY 10, 2022 AT 3:30 P.M.

## AGENDA

|            | 1.  | June 14, 2022 Round Table Meeting – Reschedule to June 6, 2022                      |
|------------|-----|-------------------------------------------------------------------------------------|
| P.2        | 2.  | Appreciation to 1 <sup>st</sup> Responders Presentation                             |
| P. 3-30    | 3.  | Northern Gateway Public Schools 2023-2026 Three Year Capital Plan                   |
| p. 31 - 32 | 4.  | Email & Response regarding Loose Animals in the Community                           |
| p. 33-35   | 5.  | Lac Ste. Anne County Email regarding Regional Municipalities Meeting – Agenda Items |
| p. 36-44   | 6.  | Atco Gas & Fortis Franchise Fees                                                    |
| P. 45      | 7.  | Dave Ives, Fire Rescue International – Rental Space                                 |
| P.46-48    | 8.  | Village of Sterling – Remuneration Report                                           |
|            | 9.  | 2022 Draft Budget                                                                   |
|            | 10. | Garbage Truck                                                                       |

#### Reminder:

Traffic Bylaw – Council to submit comments by May Round table meeting.

# Invitation!

Council of Alberta Beach, Sunset Point and Val Quentin will be holding an Appreciation Ceremony to recognize and show our appreciation to our First Responders.

Friday, May 27, 2022 2:00 P.M.

at Grasmere School

Everyone is welcome to attend
Come out to help recognize our amazing First
Responders.

Come to the Alberta Beach Village Office and sign our posters and help show our community appreciation.

Posters will be available for signature until Victoria Day May 23rd, they will also be available Saturday May 21st at the

Bottle Drive / BBQ in front of the village office.

# 2023 - 26 Three-Year Capital Plan

# **TABLE OF CONTENTS**

# **Executive Summary**

Three-year capital plans are the basis of the government's annual review and assessment of capital projects and priorities based on project drivers and needs criteria:

- Health and Safety
- Building Condition
- Enrollment Pressures
- Functionality and Programming
- Legal Rights

The Division's Three-Year Capital Plan identifies projects that will be submitted to Alberta Infrastructure for Project Evaluation and Prioritization.

The jurisdiction's 2023-26 Three-Year Capital Plan, requests the following capital projects:

- 1. Valleyview K-12 Replacement School
- 2. Whitecourt Attendance Zone K-5 Replacement School
- 3. East End K-9 Replacement School for Darwell and Alberta Beach

Northern Gateway Public Schools fosters prográm-rich learning environments where students, teachers and our greater communities can do their best work, together. With 4,600 students from Kindergarten to Grade 12, we operate 16 schools, four colony schools and four off-campus outreach schools, serving the communities and surrounding areas of Alberta Beach, Onoway, Rich Valley, Darwell, Sangudo, Mayerthorpe, Whitecourt, Fox Creek and Valleyview.

The Valleyview replacement school has been Northern Gateway Public Schools' number one priority since 2016.

"School facilities reflect the jurisdiction's beliefs and values, and enhance learning opportunities and experiences for students."

# YEAR ONE 2023-24 - PRIORITY ONE: Valleyview K-12 School

# A K-12 school to be located in Valleyview with a capacity of 850 students on a new site, 8,049 square metres at an estimated cost of \$37,954,437.00\*

Approval in principle has been received from Alberta Education to construct a K-12 replacement school in Valleyview and to dispose of the three existing facilities; however, funding has not yet been secured. This remains the Division's highest capital priority.

It is very important for the Division to request demolition funds for the three existing schools in its capital submission to Alberta Education, for two primary reasons:

- The schools likely contain hazardous materials such as asbestos in flooring, pipe insulation, masonry cavity insulation (zonolite), lead in layers of original paint, etc. The costs to remediate could be very high if the buildings are eventually sold; and there would be a duty to report the presence of hazardous materials to new owner(s). For this reason, the Division should contact the province to ensure their capital grant includes hazardous materials remediation, demolition and disposal costs for all three schools.
- The lands are owned by the Division and could be sold to help fund other Board priorities once the buildings are removed.

All three Valleyview schools have relatively high deferred maintenance upgrade needs. Utilization rates are relatively low and are expected to diminish further over the next five years. The deferred maintenance liability for the three schools is in the order of \$8,200,000.00. Since the Infrastructure Maintenance Renewal (IMR) grant for the entire Division is in the \$1,500,000.00 range, it is simply not feasible to fund the necessary upkeep using these dollars.

It is cost prohibitive to continue running three moderately utilized schools that are costly to operate and maintain, and require significant life-cycle upgrades; therefore, our recommendation is to construct a replacement 850 capacity school.

In November of 2016, a two-day value scoping session was conducted in Valleyview with the final recommendation from all stakeholders being to support this project.

In 2017, NGPS used approximately \$750,000 from Division capital reserves to purchase a 24 acre site next to the Greenview Multiplex in Valleyview with the intent that proceeds from the sale of the decommissioned Valleyview buildings/sites be directed to restore division capital reserves.

\*Does not include costs of external recreational ground facilities (i.e. track, football field, playgrounds).

# YEAR TWO 2024-25 - PRIORITY TWO: Whitecourt 5-7 Core Middle School

A 5-7 core middle school to be located in the Whitecourt attendance zone on a new site with a capacity of 600 students, 5,269 square metres and demolish Whitecourt Central School at an estimated cost of \$19,320,859.00\*.

An opportunity exists to sharpen the focus of the project based on student population and enrollment patterns once this project advances to becoming the top capital priority.

Four challenges were identified, as follows:

- Attendance boundaries would be needed if primary grades are split into two K-4 schools to deal with future enrollment growth.
- Whitecourt Central Elementary School is located near the downtown core of Whitecourt, which is not an ideal setting for elementary or middle school grade levels.
- Percy Baxter School is not particularly well suited for middle school grades but would work well as a primary / elementary school.
- A new school site would need to be outside the 500 year flood plain to meet provincial requirements.

Based on this, it is recommended that Pat Hardy and Percy Baxter schools be re-tasked as K-4 primary schools with enrollments balanced to suit their capacities; a new 600 student 5-7 core middle school be constructed with future expansion capability, located in the flats area but away from the downtown core and flood plain; and grade 8 students be moved to Hilltop Jr/Sr High School until enrollment growth determines that they can move back to the new middle school. The oldest facility is Whitecourt Central Elementary School which was built in 1955 and the last addition in 1964. The facility has reached its life expectancy for the building envelope including interior, mechanical and electrical. The facility is comprised mostly of portables and links attached to the core school. The school on the site and its location compromise student safety. This building would be demolished.

\*Does not include costs of external recreational ground facilities (i.e. track, football field, playgrounds).

# YEAR THREE 2025-26 - PRIORITY THREE: East End K-9 Replacement School for Darwell and Alberta Beach

K-9 school to be located in the proximity of Darwell and Alberta Beach on a new site with a capacity of 500 students, 4,406 square metres at an estimated cost of \$15,000,000.00\*.

An opportunity exists to reconfigure East End schools to more traditional grade structures as a pedagogical improvement, rebalance enrollments to provide room for future growth in all schools, and replace two aging facilities with one new school.

Based on this, it is recommended to construct a new 500 capacity K-9 school in proximity to Darwell and Alberta Beach, perhaps on land between these communities along highway 633, and dispose of Darwell and Grasmere Schools.

The oldest facility is Darwell School which was built in 1956 and the last addition in 1989. The facility is reaching its life expectancy for the building envelope including interior, mechanical and electrical. The school was modernized 32 years ago. The school on the site and its location compromise student safety. This building would be demolished. Current utilization is 60% and the building capacity is 261.

The second oldest facility is Grasmere School which was built in 1986 and portables were added in 1993. The facility is reaching its life expectancy for the building envelope including interior, mechanical and electrical. The school was built 35 years ago. This building would be demolished. Current utilization is 43% and the building capacity 320.

\*Does not include costs of external recreational ground facilities (i.e. track, football field, playgrounds).

#### **WAP1000 Detailed Report**

Printed: March 28, 2022 01:16 PM

The Northern Gateway School Division (2275)

#### 13328 - New Valleyview K-12 School

Capital Plan Submission Year: 2023/2024 (GOA)

Capital Program: School Facilities

Title: New Valleyview K-12 School

Key Driver(s): Infrastructure condition

Project Sub-Category: New - Replacement Facilities

Submission Status: Submitted

Client Name: The Northern Gateway School Division (2275)

Client Ranking: 1

Original Capital Plan Submission Year: 2016/2017 (GOA)

Client File#:

Client Asset Id:

School Facility Name: HILLSIDE JUNIOR SENIOR HIGH SCHOOL (F1001)

Location: VALLEYVIEW

Constituency: Central Peace-Notley

Backlog?: Yes

Approved without funding

Description: Demolish three existing schools and combine all grades into one new facility.

(Project scope)

Reason: All three Valleyview schools have relatively high deferred maintenance upgrade needs, and their utilization rates (Project benefits) are relatively low and expected to diminish further over the next 5 years. The deferred maintenance liability for the 3 schools is in the order of \$8,200,000.00. Since the IMR grant for the entire Division is in the \$900,000.00

range, it is simply not feasible to fund the necessary upkeep using these dollars.

It does not make economic sense to continue running three moderately utilized schools that are costly to operate and maintain, and require significant life-cycle upgrades; therefore our recommendation is to construct a replacement 900 capacity K-12 school and then dispose of the existing schools. The Harry Gray Elementary School, Hillside High and Oscar Adolphson Primary sites could be sold and proceeds used to enhance the design of the new facility (for example, these funds could be used to help finance a connected performing arts theatre).

Consequences:

(Implication for delaying project)

Change in Capacity: 850 net capacity and 8049m2

(For Learning and PSI this should be the change in enrollment capacity. For Health, this could be the change in beds, surgical procedures, diagnostic and treatment

services, etc.)

Gross Area M2: 8049

Preservation Area M2: 0

New and Expansion Area M2: 0

Demolition Area M2: 0

Full Load Equivalent (FLE):

#### 13327 - Demolish Hillside High School

Capital Plan Submission Year: 2023/2024 (GOA)

Capital Program: School Facilities

Title: Demolish Hillside High School

Key Driver(s): Infrastructure condition

Project Sub-Category: Expansion - Demolitions

Submission Status: Submitted

Client Name: The Northern Gateway School Division (2275)

Client Ranking: 2

Original Capital Plan Submission Year: 2016/2017 (GOA)

Client File#:

Client Asset Id:

School Facility Name: HILLSIDE JUNIOR SENIOR HIGH SCHOOL (F1001)

Location: VALLEYVIEW

Constituency: Central Peace-Notley

Backlog?: No

Description: Demolish Hillside High School and build a new K-12 School.

(Project scope)

Reason: All three Valleyview schools have relatively high deferred maintenance upgrade needs, and their utilization rates

(Project benefits) are relatively low and expected to diminish further over the next 5 years. The deferred maintenance liability for the 3 schools is in the order of \$8,200,000.00. Since the IMR grant for the entire Division is in the \$900,000.00 range, it is simply not feasible to fund the necessary upkeep using these dollars.

It does not make economic sense to continue running three moderately utilized schools that are costly to operate and maintain, and require significant life-cycle upgrades; therefore our recommendation is to construct a replacement 900 capacity K-12 school and then dispose of the existing schools. The Harry Gray Elementary School, Hillside High and Oscar Adolphson Primary sites could be sold and proceeds used to enhance the design of the new facility (for example, these funds could be used to help finance a connected performing arts theatre).

Consequences:

(Implication for delaying project)

#### 14401 - Whitecourt 5-7 Core Middle School

Capital Plan Submission Year: 2023/2024 (GOA)

Capital Program: School Facilities

Title: Whitecourt 5-7 Core Middle School

Key Driver(s): Infrastructure condition

Project Sub-Category: New - New Facilities

Submission Status: Submitted

Client Name: The Northern Gateway School Division (2275)

Client Ranking: 5

Original Capital Plan Submission Year: 2022/2023 (GOA)

Client File#:

Client Asset Id: School Facility Name: WHITECOURT CENTRAL SCHOOL (F1014)

Location: WHITECOURT

Submitted in previous capital plan

Constituency: West Yellowhead

Description: An opportunity exists to sharpen the focus of the project based on student population and (Project scope) enrolment patterns once this project advances to becoming the top capital priority.

Four challenges were identified, as follows:

· Attendance boundaries would be needed if primary grades are split into two K-4 schools to deal with future enrollment growth

· Whitecourt Central Elementary School is located near the downtown core of Whitecourt, which is not an ideal setting for elementary or middle school grade levels

 Percy Baxter School is not particularly well suited for middle school grades but would work well as a primary / elementary school

A new school site would need to be outside the 500 year flood plain to meet provincial requirements

Reason: Based on this, it is recommended that Pat Hardy and Percy Baxter schools be re-tasked as K-4 (Project benefits) primary schools with enrollments balanced to suit their capacities; a new 600 student 5-7 core middle school be constructed with future expansion capability, located in the flats area but away from the downtown core and flood plain; and grade 8 students be moved to Hilltop High School until enrollment growth determines that they can move back to the new middle school. The oldest

facility is Whitecourt Central Elementary School which was built in 1955 and the last addition in 1964. The facility has reached its life expectancy for the building envelope including interior, mechanical and electrical. The facility is comprised mostly of portables and links attached to the core school. The school on the site and its location compromise student safety. This building would be demolished.

Consequences: None

(Implication for delaying project)

Change in Capacity: 5269 sq m2 and capacity of 600

#### 13344 - Demolish Whitecourt Central School

Capital Plan Submission Year: 2023/2024 (GOA)

Capital Program: School Facilities

Title: Demolish Whitecourt Central School

Key Driver(s): Infrastructure condition

Project Sub-Category: Expansion - Demolitions

Submission Status: Submitted

Client Name: The Northern Gateway School Division (2275)

Client Ranking: 6

Original Capital Plan Submission Year: 2016/2017 (GOA)

Client File#:

Client Asset Id:

School Facility Name: WHITECOURT CENTRAL SCHOOL (F1014)

Location: WHITECOURT

Constituency: West Yellowhead

Backlog?: No

Description: Demolish Pat Hardy Primary School and Whitecourt Central School and combine those grades into one new (Project scope) facility.

Construct a new replacment, 800 capacity K-5 elementary school in Whitecourt on a new site. This would provide an

upgraded and enhanced front entrance to provide better visability of the entrance for the safety of students and staff. A

replacement school would provide ancillary, flex space and gathering space, and functional warp-around and sensory

spaces required to provide learning opportunities which require flexible, interactive, multi-purpose learning spaces which is flexible and adaptabel to allow for interactive learning. Examples are garage doors, moveable walls, maker spaces and gathering spaces for students to work indepently or in small groups.

Additionlly, a new replacement school would be more efficient and cost effective than modernizing and operating two old schools. Both Pat Hardy Primary and Whitecourt Central Elementary schools are old (39 years and 63 years respectively) and are dated. The mechanical/ventilation systems in both schools are original, well past their life expentancy, and will require replacement including hazmat abatement and the sprinker system of the building if required to address code in the near future. Both schools have issues with barrier-free access to instructional areas and washrooms.

This site would also allow for a bus loop to address the current safety issues and could potentially streamline the operation of busses for the jurisidiciton. Pat Hardy's safety issues for busses is more serious as there is no proper bus lane. The busse unload directly in front of the school. Parents pull into the staff parking lot to drop of students and then the parents/students cross the staff parking lot and must walk between buses to enter the school.

Reason: Dispose of Whitecourt Central School due to its age, construction type and potential exposure to a catastrophic (Project benefits) flood event as Alberta schools are required to be built outside of the 500 year flood plain - schools in the valley district of Whitecourt may be vulnerable.

Consequences:

(Implication for delaying project)

Change in Capacity: -464 capacity and -3349.36 sq m2

Loose Animals in the Community

AB Office,

Over the past year (or longer), there have been many instances of loose dogs running around our community. They have been seen defacating on private property, attacking other animals and being a threat to people. I have been the recipient of such animals on my property recently.

Most individuals try and make the community aware of these animals via a community Facebook page. It is also an avenue to alert the owners that their animals are loose.

I know people have called our "Bylaw/Peace" Officer, called Animal Servives, talked with the animal owners and some animal owners have been fined but we still continously see the same animals on the loose. I'm not even sure we have a full time Bylaw/Peace Officer on payroll anymore to address these issues in a timely fashion.

What is the next course of action that community members can take to ensure their families and pets continue to stay safe? Maybe there should be a "Reporting" section included in the Animal Control Bylaw so individuals know what actions they can take to report these occurances.

I would like to pass this information on to the community and suggest the office posts someting on the website for community members to read, understand and know what else they can do in these situations.

One last question. The bylaw refers to a "Wading or Swimming Area". Are the lake access points withing the town of Alberta Beach considered as such?

Regards,

**Donovan Boggs**

RE: Loose Animals in the Community

#### Good afternoon, Donovan:

Thank you for your email, I apologize for the delay in responding.

Although we don't have a full-time CPO 1, we are in the process of hiring. In the meanwhile, we still have a part-time CPO 1, as Bruce is still covering shifts in Patrol and is dealing with any calls that come in. Any bylaw incidents we monitor and pass along to Bruce. Please note we have received only 2 dog complaints since the beginning of January, and we have taken care of both complaints. Residents should be calling or emailing the Patrol Department of any Animal Control Bylaw complaints.

The Animal Control Bylaw reference to wading or swimming is intended for the main beach, no dogs are allowed in the park and the lake accesses are areas where people can take their dog swimming. We do realize that the bylaw needs to be updated.

We will post a reminder on social media that residents require an annual dog licence and as per the bylaw dogs must be kept on a leash and that complaints should be forwarded to the Patrol Department by phone at 780-924-3434 or by email at <a href="mailto:patrol@albertabeach.com">patrol@albertabeach.com</a>. Please note this information already goes out annually in our newsletter. The newsletter and bylaw are posted on our website as well.

We will request the Patrol Department ensure that dogs running at large is a priority. Once again, thank you for your comments.

Sincerely,

Kathy Skwarchuk, CAO

# Alberta Beach

Box 278 • Alberta Beach • Alberta • T0E 0A0 Telephone: 780-924-3181 • Fax: 780-924-3313

Alberta Utilities Commission 10th Floor, 10055 – 106 Street Edmonton, AB T5J 2Y2

Dear Utilities Commission:

Re: Increasing Utility Fees

Alberta Beach, like other municipalities, has heard many concerns about the rising utility fees for both natural gas and electricity.

Over the past two years, our residents and others throughout the province have struggled with the strain of the pandemic, job insecurities, and the rapid inflation of food, fuel and housing costs and now the added stress of rising utility costs in their homes. Small businesses and commercial industries are suffering from the fallout of the pandemic, staff layoffs, increasing inflation costs and many are in jeopardy of closing or forced to stop their services to our communities due to these increasing utility costs if not already shut down.

Our non-profit community groups are struggling with these rising utility costs as well. These non-profit community groups offer us services that are greatly needed for our physical, mental, and social well being, however, these services are now in jeopardy as they focus what funds they have on paying these increasing utility fees.

Instead of retaining funds for savings, for food, to pay rent or a mortgage, or to offer services that improve a community's wellness, people are being forced to pay exorbitant delivery charges to maintain utility services.

Alberta Beach believes now is not the time to be taking more and more money from the pockets of Albertans, now is the time to support our people.

Alongside other municipalities, Alberta Beach urges the Commission to perform a review of the fees being charged on top of the actual usage fees all the while giving strict attention to the amount of profit the corporations are making off Albertans. We recognize that we should all be doing our part and municipalities should be reviewing their franchise fees and although Alberta Beach has very low rates we will be doing so.

Your time and consideration for our residents, small businesses and non-profit groups is greatly appreciated.

Sincerely

Angela Buncan,

Mayor

Gross Revenues are ATCO Gas total charges, less GST.

<sup>\*\*\*</sup> Includes a \$10,000 maximum annual allowable assessment (Max) on any individual metered account.

# ATCO GAS AND PIPELINES LTD. – NORTH RIDER "B" MUNICIPAL PROPERTY TAX AND SPECIFIC COSTSTO ALL RATES AND ANY OTHER RIDERS THERETO

This Rider is applicable to Customers and Producers resident in municipalities that receive a property tax under the Municipal Government Act or receive payment for specific costs which are not generally incurred by the Company. This Rider is the estimated percentage of gross revenue required to provide for the tax payable or specific cost incurred each year. To the extent that this percentage may be more or less than that required to pay the tax or specific cost, the percentage of gross revenue provided in the Rider will be adjusted on the 1st of February each year.

The percentage is to be applied as an addition to the billings calculated under the Rates including charges as allowed under other Riders in effect with respect to the following municipalities:

<sup>\*</sup> Applied to High Use.

<sup>\*\*</sup> Exemption available on Rider "E" portion of natural gas feedstock quantities used by an electrical generation plant whose primary fuel source is natural gas, for the commercial sale of electricity or used by a district energy plant for combined heat and power production, if deemed by the City of Calgary to be a qualifying facility.

# ATCO GAS AND PIPELINES LTD. – SOUTH RIDER "B" MUNICIPAL PROPERTY TAX AND SPECIFIC COSTSTO ALL RATES AND ANY OTHER RIDERS THERETO

This Rider is applicable to Customers and Producers resident in municipalities that receive a property tax under the Municipal Government Act or receive payment for specific costs which are not generally incurred by the Company. This Rider is the estimated percentage of gross revenue required to provide for the tax payable or specific cost incurred each year. To the extent that this percentage may be more or less than that required to pay the tax or specific cost, the percentage of gross revenue provided in the Rider will be adjusted on the 1st of February each year.

The percentage is to be applied as an addition to the billings calculated under the Rates including charges as allowed under other Riders in effect with respect to the following municipalities:

Franchise fee listing

Hi Kathy,

As requested, below is the link to the online version of the Rates, Options and Riders. In the most recent edition (April 2022) the list of Municipal Franchise Fee Riders can be found on page 37.

https://www.fortisalberta.com/customer-service/rates-and-billing/rates-options-and-riders

Thank you & please don't hesitate to reach out if you need anything else while Nicky is away.

Have a great weekend.

Dora

### MUNICIPAL FRANCHISE FEE RIDERS

Availability: Effective for all consumption, estimated or actual, on and after the first of the month following Commission approval, the following franchise fee riders apply to each rate class.

## Price Adjustment:

A percentage surcharge per the table below will be added to the total distribution tariff, including both the transmission and distribution charges, and excluding any Riders, calculated for every Point of Service within each Municipality and will be billed to the applicable Retailer.

FortisAlberta will pay to each Municipality each month, in accordance with the franchise agreements between FortisAlberta and the Municipalities or an agreement with a non-municipality, the franchise fee revenue collected from the Retailers.

| Alberta Beach Council |  |
|                       |  |
| From:                 |  |
| CAO Kathy Skwarchuk   |  |
|                       |  |
| Topic:                |  |
| Rental space          |  |
| Regarding:            |  |
| Fire Dept.            |  |

### Background:

I was contacted by Dave Ives to inquire whether Alberta Beach has any rental space available for the fire department as they are moving their office and classroom out of their present location at the Onoway Heritage Centre as well as some trailers and equipment being stored in a commercial lot. He is interested in renting space for an office, classroom/meeting space and storage space.

The businesses operate a municipal fire department as well as a for-profit industrial business and a not for profit business Fire Rescue International.

#### Request:

For a rental agreement on the back office in the administration building, one bay (unit 5A) at the public works building and outdoor storage in the old public works yard behind the admin building.

## Benefit:

This would benefit Alberta Beach if the fire department re-located their office, classroom & some vehicles /equipment back to Alberta Beach.

#### Attachments:

CAO requested Dave Ives submit a proposal.

#### Recommendation:

That Council consider & approve an agreement for rental of the back office in the admin building, Unit 5A at the public works building and outdoor yard space in the old public works yard behind the admin office.
