October 22, 2014

Attention: Residents and Property Owners

WE NEED YOUR INPUT!

Since 1976, the Alberta Beach Agliplex has been a hub in the community hosting many community groups and events, both public and private. If you have been in the Agliplex recently or even driven by it, you are probably aware that the hall is in need of some serious attention and repairs.

The current hall is extremely inefficient and is very costly to supply heat and electricity to. In 2012 quotes were received to repair the hall and put an addition on the front to add in proper washrooms, the cost for renovations in 2012 was approximately \$500,000. The current hall is 6000ft², the cost to build a smaller (3000-4000ft²) hall, that will better suit the needs of the community is approximately \$450,000 - \$600,000 plus the cost of demolition.

The hall is owned by Alberta Beach and has been leased to the Alberta Beach Agricultural Society and the Lions Club since Alberta Beach took ownership of the building in 1976. The Ag Society and Hall board manage the halls day to day operations. All of these groups are working together to come up with a plan for the future of the hall. We are open to exploring multiple financing options to help ensure the future viability of a community hall, if the community feels it is important.

That is where you come in! **We are looking for some information to help us decide the future of a community hall in Alberta Beach.** Please take a few minutes to fill out the following survey, so we can make an informed decision! Deadline for responding to the survey is November 30, 2014.

Completed Surveys can be returned by: Regular mail, email, fax or dropped off at the Village office:

Alberta Beach Village Office
