MAYOR'S MESSAGE

Well another year has come and gone, it seems time has flown by. It has been quite the year for Alberta Beach. First we did an overhaul of our Patrol Department, we cut down to two members and have contracted them out to our neighboring municipalities, the Summer Village of Sunset Point and the Summer Village of Val Quentin in an attempt to help cut costs. We are also in talks with the Towns of Mayerthorpe, Onoway and a group of Summer Villages trying to set up a C.P.O. Commission. Alberta Beach Council will keep you informed on our progress.

Our new public works building is almost complete, we are in the process of doing final finishing, in addition we have also leased out a portion of the building creating a revenue stream for the Village.

The Boat Launch/Main Beach Project is also in its final stages, we have completed phase one of the landscaping and as monies become available we will keep improving on it. The new sidewalk, fence and upgraded playground with a recycled rubberized pour in place surface system, looks great!

Along with our revitalized main beach area we will be giving our Village Office a facelift this year giving it a fresh and modern new color. There is also additional development for our main street, with a new retail and residential building going up next to Jungles.

We have upgraded 7 camp sites to full service in our campground this year and fixed up the little house at the campground to use as a summer weekly rental unit. Our campground managers are doing a great job; we have received nothing but great reviews on how they are running it.

Grasmere School has been fundraising for an electronic sign that will be placed on the main road coming into the beach. This will be a great addition for the school, Village and all the service clubs in the area as they will have access to the electronic board to advertise and communicate with the public. My understanding is that the school is about ¾ of the way to their fund raising goal, and the sign supplier has stepped up and agreed to finance the balance. The sign should be up and running by mid September.

A group has started to raise funds to fix up Beachwave Park. The rink boards need to be replaced, they want to give the skateboard park a permanent home, as well as fix up the basketball court. They will start their fundraising in early June with bottle drives, selling Purdy's chocolates, a garage sale and a BBQ. There will also be sponsorship opportunities for individuals and businesses that would like to provide financial support for the renovations in exchange for benefits such as naming opportunities and advertizing at the park- benefits will be based on the size of the donation. For further information contact Anita Theriault at 780-924-3181 or Steven Eckert at 780-924-3255.

We have been informed by Lac Ste. Anne County that they will be merging our fire department along with the Town of Onoway's to a new central location possibly near RR25 & Museum Road or Highway 37 & 43 within the next year. Alberta Beach Council would like to assure residents that we are working hard to keep a local fire department within our borders, and are continuing talks with both the county and the Town of Onoway to keep all avenues open.

I would like to encourage all of you to get involved in your community, volunteer for a service group or just clean up your own properties. It all helps make our Village a better place to live and visit. As always any questions or concerns please don't hesitate, send a letter, e-mail or give us a call. Have an enjoyable and safe summer.

Jim Benedict, Mayor

COMBINED TAX AND ASSESSMENT NOTICE

Tax & Assessment Notices are combined & mailed on June 10th of each year. All property taxes are due August 9th 2015. Late payment penalties on unpaid taxes will be applied as follows: A penalty of 18% will be applied on August 10th to any unpaid current year's taxes. On January 1st of the following year an 18% penalty will be imposed on all tax arrears (total penalty is 18% per annum). Failure to receive a tax/assessment notice is not considered sufficient reason for non-payment of taxes. Late payment penalties will be applied.

Please Note:

- A change in the Municipal Mill rate alone may not necessarily increase or decrease the total Municipal Taxes that one may owe from one year to the next.
- Prior to contacting the Village Office to discuss your Municipal Taxes, please review the value that your property has been assessed at (both land & improvements) since a significant change in this amount may not only have direct impact on your Municipal Taxes, but also the level of School Taxes.
- Alberta Beach does not have any control on the amount of Education Tax included in your property taxes. The Provincial Government requisitions Alberta Beach and this requisition is collected from property owners based on property assessment.

**For Assessment Concerns Contact the Assessor:
Dan Kanuka at 780-939-3310**

TAX PAYMENT PLAN

The monthly Tax Payment Plan option allows you to make regular payments and avoid penalties. All prior years taxes must be paid in full by December 31st of the previous year. Please contact the Village Office for more information.

PAYING PROPERTY TAXES

Payment of property taxes can be made by cheque, money order, cash or debit card at the Village Office. A mail slot is located beside the front door of the administration office for those who can not make business hours. Tax payments may also be mailed. A tax payment that is mailed is deemed to have been received by Alberta Beach on the date of the postmark stamped on the envelope. The postmarked stamp must be no later than August 9th, 2015 to avoid the penalty.

What is PROPERTY ASSESSMENT?

Property assessment is the process of estimating the market value of your property for municipal & education taxation purposes. Assessment is simply a distribution mechanism. The property taxes that you pay are calculated in proportion to the value of the real estate you own. A qualified assessor prepares annual assessments for all property within Alberta Beach. Our assessment representative is dedicated to providing a fair & accurate assessment for Alberta Beach taxpayers.

What is MARKET VALUE?

Market value is the valuation standard set by provincial legislation & is the basis for property valuation across Alberta. Market value is the probable price your property could sell for in a competitive & open market, as of a given date. Market value is recognized as the most understandable, transparent & objective measure of a property's worth. The market value as shown on your 2015 Assessment & Taxation notice is based on a legislated valuation date of July 1st, 2014 & reflects the physical condition of your property as of Dec 31st, 2014.

How is Market VALUE DETERMINED?

Market value assessments are prepared using mass appraisal. This is the process of valuing a group of properties at a given date, using standard methods and allowing for statistical testing. For residential property, assessors compile, review & analyze information from all legitimate real estate sale transactions that have occurred in Alberta Beach over a 3 year period prior to the valuation date. This process results in the estimated value of your property as of July 1st, 2014.

SENIORS PROPERTY TAX DEFERRAL PROGRAM

The Senior Property Tax Deferral program allows eligible senior homeowners to defer all or part of their property taxes through a low-interest home equity loan from the Alberta government. If you qualify, the Alberta government will pay all or part of your property taxes on your behalf through a low-interest loan that is secured against your home equity. You then repay the loan with interest when you sell your house, are no longer eligible, or at any time you choose. The Seniors Property Tax Deferral program is voluntary and homeowners must apply.

Eligibility - To be eligible for the Seniors Property Tax Deferral program, you must:

- be an Alberta resident (65 or older)
- own a residential property in Alberta; and
- have a minimum of 25% equity in your home.

To Apply - For more information, or to get an application form, visit health.alberta.ca or call the Alberta Supports Contact Centre at 1-877-644-9992.

LAND USE BYLAW & DEVELOPMENT

The Land Use Bylaw is in place to regulate the use of land and development of land and buildings in Alberta Beach. Prior to any development or demolition taking place, a development permit **MUST** first be applied for through the Development Officer. Once the development permit has been approved, building, gas, plumbing and electrical permits will also be required. These permits are important in ensuring all structures are compliant with development, building and safety code regulations. Please contact the development officer at 780-718-5479 for further information.

BUILDING/ELECTRICAL/GAS/PLUMBING PERMITS
Permits are a legal requirement. Alberta Beach is a non-accredited Municipality, therefore, building, electrical, gas and plumbing permits can be obtained from any of the agencies listed below which have been authorized to issue permits and provide compliance monitoring in non-accredited municipalities.

- Alberta Safety Inspections Inc. (Building Only)
1-877-780-7233
- Superior Safety Codes (Building\Electrical\Gas\Plumbing)

MUNICIPAL ADDRESSING

A reminder that every building occupied as a business or residence shall have its house \ business number clearly displayed.

Please note: Your **CORRECT** address is located on your tax notice; this is the address that is to be displayed.

KEEPING IN TOUCH

Alberta Beach uses the information supplied by the Land Titles office on the existing certificate of title for each property within its boundaries. All ownership changes including land transfers, marital name changes either by marriage or divorce, and survival of joint tenancy **must first be registered with the Land Titles Office** at Box 2380, Edmonton, AB T5J 2T3. The Land Titles Office is then obligated to forward the registered change that must be recorded in the municipality's records to the municipal jurisdiction where the property is located. Address changes are accepted and recorded upon verbal or written request to the Village Office; however, an address change request with Alberta Beach does not automatically update the records held by the Land Titles Office. A formal written request for an address change on their forms is the only method accepted by the Land Titles Office. The forms are available at www.servicealberta.gov.ab.ca. Registering an address change with the Land Titles Office is not mandatory, however, we encourage all landowners to update their mailing address with the Registrar if their current address is different from the one recorded on their certificate of title. This small step will help to avoid the risk of not receiving notification of liens, caveats & other encumbrances that could or may be registered on your certificate of title held by the Registrar.
